

The OSAA requires all coaches, including assistant coaches, to complete the CDC Heads Up Concussion training once and to complete a background check annually.

CDC Heads Up Concussion training: <http://www.cdc.gov/headsup/youthsports/training/>

- Once you complete the concussion course, save a copy of the certificate.

Background checks: <http://osaak.siplay.com/site/>

- Please complete a background check only if you have not done so within the past 12 months. If you are uncertain if you need to complete the background check, contact your **sport's commissioner**.
